HONOR, PRIDE, FIGHT

SAVE THE WHITE

Race mongrelism is contempt for the Creator. Race is the basis of history. Race mixers are degenerates. Contemptible white politicians are destroying the Nigra's racial pride. The personal character of President Eisenhower, his alien advisers, and the 9 members of the Supreme Court as race-destroyers and race-mongrelizers fills all true White men everywhere with disgust. Destroy the reds. FIGHT RACE HATERS. Join your White Citizens Council

## WHITE CITIZENS' COUNCILS. What are they?

Our movement arises from a deep-seated belief in the diverse natures of animals and plants as established by the Creator. To blot one single distinction is to defy the highest plan of Providence. Nigras were not meant to be WHITE. The white race was not intended to be anything but white.

We damn all race-mixers. We believe the race-mongrelizer is degenerate. It is our privilege and our power to attack and destroy the Communist. The Nordic peoples in the United States and White Christendom are the heroic barriers against red savagery and murder. As white citizens we are organized to defend the cherished vision of the white man. We refuse to see our children sold into slavery. We demand that the white politician exhibit the highest concept of honor as a white man or GET OUT OF POLITICS. We demand racial pride in our youths. We demand the politician fight the race-mongrelizer or leave the field of action. We the people demand the right to attack and destroy the communist directly and head-on. We demand the communist-led NAACP be placed immediately on the Attorney-General's list of red-subversive organizations. We demand the red leaders of the NAACP be prosecuted and given life-imprisonment or the maximum the law will allow.

We are organized to root out every degenerate preacher, civic leader, P. T. A. mongrelizer, school board official, Commissioner, pinko professor, lawyer, or politician who uses his honorable office to destroy our people. We are an attack program. We proclaim action as our creed. We are nationalists. We declare for America FIRST. Join your Council NOW. You have no alternative as a white man but to join. We are fighting. You must fight with us. If there is no Council in your community, you must have one. The time is now.

1. No person should be entered in public payrolls who is an employee of or who is controlled by any organization in control of forces existing outside this state; and any such person now on the payrolls shall be removed forthwith (within 3 months).

2. Remove from the public payrolls every appointed State and local official and employee who is in anywise connected with the National Association for the Advancement of Colored People, the Anti-Defamation League, Freedom House, the American Jewish Committee, the NAACP Educational and Legal Defense Fund, the Leadership Conference on Civil Rights, the National Community Relations Advisory Council, the Southern Conference for Human Welfare, the National Urban League, the Communist Party, Communist fellow-traveller or front organizations, or with any of their associated, affiliated or subsidiary organizations or with any similar private organization (other than churches and political parties) which advocates integration.

3. Purge all educational institutions and all libraries of educational institutions, which are owned or exclusively controlled by the State or by any political subdivision or local public body of the State, of all books, literature and propaganda which advocates integration, or any material inspired by Beria's program for the destruction of American life and our Southern heritage.

4. Establish, at State level, an independent commission of State Government, which may employ secret special agents concerning integration and related matters, and is empowered to prepare and give out information consonant with the long-established ideals, heritages, traditions, and way of life of the State.

5. Establish (even if necessary to amend the State Constitution) a permanent, separate committee of the Legislature, with power of subpoena, to sit at any time or place within the State and hold hearings concerning integration and any other activities in the State which may or do adversely affect the above-mentioned ideals,

heritages, traditions and way of life.

6. Prohibit any person from holding any civil office or employment under this State or under any political subdivision or public body thereof who, at the same time, holds any civil office or employment under any other State or political subdivision or public body thereof or under the Federal Government.

7. Provide that no person shall be a qualified elector of the State unless such person shall have resided in the State for not less than five years, in the county for not less than four years, and in the precinct for not less than two years, next preceding the date on which he offers to qualify. Revise the State Constitution accordingly.

8. Discontinue all extra-curricular activities in all educational institutions owned or exclusively controlled by the State or any political subdivision or public body of the State.

9. Prohibit any person who is not a qualified, registered elector and a domiciliary of the State from holding any position or employment in, or in connection with any educational institution owned or exclusively controlled by the State or any political subdivision or public body of the State.

10. Prohibit any person who is not a domiciliary of the State from being taught in any educational institution owned or exclusively controlled by the State or any political subdivision or public body of the State.

11. Require every official and employee of the State or of any political subdivision or public body of the State, as a condition to qualifying for or holding such office or employment, to disclose the names of all private organizations (other than churches and political parties) with which he is in anywise connected.

12. Provide that the Attorney General of the State shall be, ex officio, Bond Commissioner of the State, and that no bonds, notes, or securities shall be issued, and no contracts, agreements or assurances shall be entered into with the Federal

Government, by the State or any political subdivision or public body of the State without the prior approval of said Bond Commissioner.

13. Publicize appropriately from time to time, to the electorate of the State, the names of all private organizations (other than churches and political parties) in the State known to advocate integration.

14. Prohibit the use by any assembly of persons (other than State or local public officials or employees in their capacities as such, or students enrolled in educational institutions owned or exclusively controlled by the State or any political subdivision or public body of the State) or by any private organization, of the facilities of any educational institution owned or exclusively controlled by the State or any political subdivision or public body thereof, except for regularly scheduled school activities and ceremonies.

15. Prohibit the establishment of any so-called "extension" of the University of Virginia in northern Virginia, because it is perfectly apparent that no sooner than it is established than it will have to become very extensively integrated or close down.

16. Expressly and specifically prohibit the State or any political subdivision or public body thereof from agreeing with the Federal Government, as a condition to Federal financial assistance, to comply with any rules, regulations, orders, policies or procedures issued by any official of the Executive Branch of the Federal Government.

17. Prohibit the introduction into or continuance in any educational institution owned or exclusively controlled by the State or by any political subdivision or other public body thereof, of any literature or propaganda directly or indirectly suggesting or advocating "world government" or a "World State", or which is issued by UNESCO, or the United World Federalists, the Atlantic Union Committee, or similar organizations.

18. Prohibit the introduction into or continuance in any educational institution owned or exclusively controlled by the State or any political subdivision or public body of the State, of any literature or propaganda issued by the National Association for the Advancement of Colored People, the Anti-Defamation League, Freedom House, the American Jewish Committee, the NAACP Educational and Legal Defense Fund, the Leadership Conference on Civil Rights, the National Community Relations Advisory Council, the American Jewish Congress, the Fund for the Republic, the Southern Regional Council, the Southern Conference for Human Welfare, the National Urban League, the Communist Party, Communist fellow-traveller or front organizations, or by an affiliate, subsidiary or associate thereof or by any other private organization with similar aims and purposes respecting integration.

19. Subdivide, if deemed necessary, and sell (without necessity for public advertisement and bidding), or donate, to locally organized, appropriate private clubs, all State-owned public parks which are threatened with integration. Enact adequate State laws for this purpose.

20. Expressly prohibit any so-called "local option" election by any locality in the State to permit integration in such locality in any educational institutions owned or exclusively controlled by the State or any political subdivision or public body of the State.

21. In interpreting the school decisions of May 17, 1954, and May 31, 1955, by the United States Supreme Court, Judge John J. Parker of the Fourth Circuit Court of the United States, speaking for that Court in July, 1955, in the case of Briggs versus Elliott, 132 Federal Supplement 776, stated:

" \* \* \* it is important that we point out exactly what the Supreme Court has decided and what it has not decided in this case. It has not decided that the federal courts are to take over and regulate the public schools of the states. It has not decided that the states must mix persons

of different races in the schools or must require them to attend schools or must deprive them of the right of choosing the schools they attend. What it has decided, and all that it has decided, is that a state may not deny to any person on account of race the right to attend any school that it maintains. This, under the decision of the Supreme Court, the state may not do directly or indirectly; but if the schools which it maintains are open to children of all races, no violation of the Constitution is involved even though the children of different races voluntarily attend different schools, as they attend different churches. Nothing in the Constitution or in the decision of the Supreme Court takes away from the people freedom to choose the schools they attend. The Constitution, in other words, does not require integration. It merely forbids discrimination. It does not forbid such segregation as occurs as the result of voluntary action. It merely forbids the use of governmental power to enforce segregation. The Fourteenth Amendment is a limitation upon the exercise of power by the state or state agencies, not a limitation upon the freedom of individuals."

Accordingly, the term "voluntarily segregated school" as used herein means a public school which is either all-white or all-colored and is so composed not by requirement to that effect by the State or any political subdivision or public body or official or employee of the State, but is so composed because each individual utilizing the school has, of his own free will and accord, chosen to utilize that school.

22. The State Constitution should be completely revised on all matters directly or indirectly pertaining to education. The only fair way to go about this is to call an unlimited State Constitutional Convention, since there must, of necessity, be many interlocking provisions. In this connection, it should be

remembered that a State Constitution IS NOT A GRANT OF POWER but IS A LIMITATION UPON THE EXERCISE OF OTHERWISE PLENARY POWERS SO FAR AS THE LEGISLATURE IS CONCERNED. Keeping this in mind, we submit that the following limitations, among others, should be expressly set forth in the State Constitution, with appropriate refinements of language; no effort being made here to set them forth with precise, technical, legalistic accuracy:

- (1) Neither the State nor any political subdivision or public body thereof may maintain any public school except so long as such school is a voluntarily segregated school.
- (2) Public funds for educational purposes may be expended for public schools or public school facilities only so long as such schools or facilities are voluntarily segregated schools or facilities.
- (3) Public funds shall not be raised or used by the State or any political subdivision or public body thereof and no laws shall be passed, to provide for, establish, operate or maintain any integrated public school or integrated public school facilities.
- (4) Neither the State nor any political subdivision or public body thereof shall pass any law, rule, regulation, order or instruction providing for the compulsory education of children of school age.
- (5) Public funds shall not be raised or used by the State or any political subdivision or public body thereof to pay the salary, compensation or expenses of any person to instruct in a public school other than a voluntarily segregated public school.
- (6) Public funds shall not be raised or used by the State or any political subdivision or public body thereof to pay the salary, compensation or expenses of any white person to instruct or be otherwise employed in any public school composed of colored persons, or of any colored

person to instruct, or be otherwise employed in any public school composed of white persons, or of white and colored persons to instruct or be otherwise employed in the same public school.

- (7) Laws shall be enacted under which public funds raised for educational purposes may be used to make cash grants, in advance or by reimbursement, directly to, but only to, parents, guardians or other persons in lawful custody of children of school age residing in the State, to send such children to nonsectarian private schools selected solely by the parent, guardian or other person in lawful custody of the children.
- (8) Public funds shall not be raised or used by the State or any political subdivision or public body thereof to support or maintain any religious activity or institution or any sectarian school.
- (9) No person other than a qualified, duly registered elector and domiciliary of the State may hold any position or employment in or in connection with any educational institution owned or exclusively controlled by the State or by any political subdivision or public body of the State.
- (10) No person other than a domiciliary of the State may be a student at any educational institution owned or exclusively controlled by the State or by any political subdivision or public body of the State.
- (11) Nothing in this Constitution shall be construed as creating or recognizing any right to education or training at public expense.
- (12) No contract, agreement or assurance shall be entered into or made by the State or by any political subdivision or public body thereof with the United States or with any agency, instrumentality or official of the United States unless such contract, agreement or assurance is in accordance with the express provisions of State Law.
- (13) No appropriation, loan or grant of public funds shall be made by

the State or any political subdivision or public body of the State to any educational institution not owned or exclusively controlled by the State or a political subdivision or public body of the State.

- (14) No law shall be passed, and no public funds shall be raised or used by the State or any political subdivision or public body of the State for co-education in any educational institution owned or exclusively controlled by the State or any political subdivision or public body of the State.
- (15) No activity of any educational institution which is owned or exclusively controlled by the State or any political subdivision or public body of the State shall be conducted in any church or religious institution.
- (16) No law shall be passed permitting the State or any political subdivision or public body of the State to exercise the right of eminent domain to take private property for any public housing, slum clearance or urban renewal project.
- (17) Funds shall be provided for all great public objects (school construction, parks, water-power, etc.) not by means of loans, but by granting non-interest-bearing State bonds, or without using ready money. In other words, the irresponsible printing of bank notes without creating new values means inflation. However, an issue of non-interest-bearing bonds by the State cannot produce inflation if new values are at the same time created. The fact that today great economic enterprises cannot be set on foot without recourse to loans is sheer lunacy. The United States Constitution, Article 1, Section 8, Paragraph 5, says: "The Congress shall have the power to coin money and regulate the Value thereof, and of foreign coin . . ." This does not say the Congress

shall have EXCLUSIVE power to coin money and the Federal Constitution does not preclude the State from issuing money. A reasonable exercise of the State's right to create money might produce the most beneficial results.

It must be clear to anyone that - for instance - a great hydro-electric plant might be constructed in the following unexceptional manner:

A Bill is introduced in the State legislature to develop the water-power of say the James River, due regard being given to all economic requirements. At the town where a dam is to be constructed, the local body (Commissioners, Council, etc.), decides on the construction, and empowers the State Treasurer to issue a series of bank notes, marked specially to show that they are fully covered by the new works under contemplation. These notes are covered by the combined credit of the local body and the State. No one can make any objection on the score of inflation. Construction is carried out on the credit granted by the local body and the notes become legal tender like the rest. When the work is completed, nitrates or electricity are supplied to customers against this money, and in a few years the issue can be recalled and destroyed. Result: the State has instituted a new work, which secures to it a great new source of revenue, and the people, the State, and the nation are the richer by it.

To prove the folly of the present system let us compare the foregoing with what occurs now:

A loan is taken up. A few capitalists do what the whole nation, even though Congress may vote in favor of it, cannot do: they allow the State to borrow money from them. Instead of using its direct authority for the benefit of the people, the State engages to pay permanent interest for the sum required to complete certain work, thereby hanging

a millstone around its neck. And what is most costly of all, it issues bonds, thus creating "fresh purchasing capacity." On the balance sheet it makes no difference whether the new work is represented by new paper money or by new bonds. The community is certain to suffer injury, because the bonds imply that the new work is mortgaged to financiers (usurers), which naturally makes itself perfectly secure, dictates prices, and takes the profits. Thus it is really the financiers who are the richer by the development of the nation's water-power; they are indifferent as to repayment; they like to have such monopolies as permanent milch-cows. The people are forced to pay dearly for electric current and nitrates, and once again a part of the State's property is converted to the interest of the financiers.

It is the duty of all men of good-will to see to it that the power of the public purse does not fall into the hands of men who neither produce anything or transport anything (bankers, loan-lice, international and national money manipulators, financiers of every description, and above all, usurers.) (Usury is a fixed charge exacted without regard to production or the possibilities of future production.) The sovereignty of money shall rest exclusively with the State and the State shall be a responsible, representative government. Our demands call for the abolition of the thralldom of interest-slavery. We demand that all State monies shall be spent into circulation exclusively by the State and no private banker or money monopolist shall have the right to "create" money.

- (18) The State Constitution shall be revised so as to provide for all State revenue and expenditure in the following manner:

The State of Virginia never conceded to the national government any EXCLUSIVE right to issue money for needs inside the State of Virginia.

Virginia shall, when the legislature so deems useful to the public good, issue paper money subject to continuous redemption by means of an adhesive stamp of suitable size and strong enough gum, to be affixed monthly on the State paper currency. Said stamp to be one percent (1%) of the value of the currency note, this being the only known means whereby all state expenditures will cancel out in eight (8) years and four (4) months, leaving no public debt at interest to weigh on posterity. Jefferson noted that the earth belongs to the living.

This form of tax, i.e, the one percent monthly stamp; can never fall on anyone who has not one hundred times the amount of the tax in his pocket the moment it falls due. It eliminates wangles of assessment and the cost of collection. Thousands and thousands of bureaucrats would be freed either for work or for the amenities.

23. In Virginia, repeal all provisions of basic law or statutes which permit any person to hold civilian office or employment under the State or any political subdivision or public body of the State who at the same time holds any office or employment under the United States, or any other State or the District of Columbia, or is drawing "retired" pay from the United States or the District of Columbia.

24. In Virginia, repeal the provisions of the State Statutes which provide for the kinds of county government under which Arlington and Fairfax Counties are presently operating.

25. In Virginia, repeal the State Statutes which permit Arlington and Fairfax Counties to have school boards selected in a manner different from the system of selection provided for the great mass of the counties of the State.

26. In Virginia, enact a Statute consolidating the school divisions of Fairfax County and the City of Falls Church into one school division for the County as a whole, to be selected in the same manner as provided for the great mass of the counties of the State. The 1950 Amendment to the State Constitution will specifically permit this to be done.

27. In Virginia, take the area commonly known as the "Willston" area of Fairfax County and make it a part of Arlington County.

28. In Virginia, the State Constitution should be immediately revised so as to purge all lists of electors, and so as to provide that no person can become a qualified elector who has not been domiciled in the State for at least five years, in the county for at least three years, and in the precinct for at least two years, immediately preceding the date on which he offers to register and qualify. The present provisions are too liberal and offer an open invitation to the "nomads" and "cliff-dwellers" from the North.

29. In Virginia, the State Constitution should be immediately revised so as to prohibit any county, city, town, or other subdivision of the State from levying and collecting any real estate tax for any public school or educational purposes, except to service bonds, notes, and obligations outstanding at the time of the adoption of the provision.

30. In Virginia, the State Constitution should be immediately revised so as to prohibit any county, city, town or other subdivision from levying any so-called "sales tax".

31. In Virginia, the State Constitution should be immediately revised and laws should be enacted accordingly by the General Assembly establishing for "Northern" Virginia, a "North Virginia Water, Sewage and Service Authority" as a public body, with power to acquire all water, sewage, sewerage, incinerator, and garbage disposal plants, reservoirs, systems, etc., now in operation or under construction in the area, and to acquire water supply sources, to construct, operate, and maintain a consolidated system of all such facilities, to serve the general public in the area of the Authority's jurisdiction. The Authority should have the power to borrow money and issue its revenue bonds for its corporate purposes, and to fix and establish rates and collect fees for its services.

The Authority should have no taxing power. The Authority should be given power of eminent domain. The members of the Authority should be appointed by the Governor and confirmed by the Senate of the General Assembly. It should be one of the functions of the Authority to service the inhabitants of the several counties, cities and towns in the area of its jurisdiction, and the laws should be so framed that the counties, cities and towns in the Authority's jurisdictional area of service will not be thereafter permitted to engage in activities of the character coming with the Authority's functions. Alexandria, Falls Church, and the Counties of Arlington, Fairfax, Prince William and Loudoun should be within the jurisdictional area of the Authority. This will take these very "lucrative" functions out of local politics and away from local politicians, and put them on a non-political basis for the best interests of the State as a whole and the local people in particular. Similar laws have been enacted in other states for thickly settled areas.

32. It is one thing for Southern Senators and Congressmen to sign and issue the so-called "Southern Manifesto" and it is quite another thing to really implement it and do something. When will these Manifesto signers quit supporting and voting for appropriations to the District of Columbia for integrated public schools! When will Southern Senators in the United States Senate quit voting for and supporting U. S. Senate confirmation of the appointments of Negroes to important Federal offices!! When will the signers of the Manifesto quit voting Federal funds for sectarian private schools!! When will they quit supporting integrated public housing!! When will they undertake to prevent Federal agencies and departments which make loans, grants and gifts of money to local public bodies, from using this money-power to destroy or minimize local autonomy and responsibility!!! When will they quit voting for more and more funds to expand and bring more and more integrated military installations into the Southern States!!!

When are they going to try to do something to prevent our Nation's Capitol from becoming a completely Negro-ized metropolis!!!

33. If the Congress of the United States passes a law providing for Federal aid for education but either directly or indirectly prohibiting such aid to any State which does not integrate white and colored persons in its public schools, such as has been suggested by the Bill which passed the lower House of Congress on July 3, 1956, each Southern State should immediately enact a law making it a felony punishable by imprisonment in the State penitentiary for any official or employee of the State or of any political subdivision or public body of the State to apply for or accept any Federal financial aid on behalf of the State or any such subdivision or public body. Indeed, the State law should be made even more detailed and complete!!!

34. Freedom of the Press shall not be interfered with, but any paper printing a misstatement of fact shall be obliged to print the rectification with prominence equal to that of the error. That means the headline of the correction shall be as large as that of the error, it shall be in position of equal prominence and on a page of the subsequent issue corresponding to that of the original issue. If the number of pages be not the same it shall be on a page equidistant either from the first or the last page of the article in which the error has occurred. There is no need that the correcting article shall be the same length as the original but it must be adequate to the clarification. This must be done promptly, with three days of proof of error being presented in a daily paper, within two weeks if the paper be weekly or two months if it be monthly.

35. One of the most potent weapons in the psychological warfare arsenal of the racial integrationists is a mongrelized "blood bank", and approval of the injection of Negro blood into White persons and White blood into Negro persons,

where blood transfusions are called for. The advocates of this scheme "assure" the public that there is no difference between Negro and White blood. We believe that a permanent committee of the Legislature should be established, with power of subpoena, to sit at any time and place in the State, whether the Legislature is or is not in session, and to make thorough and exhaustive investigations of this matter, and its hearings, findings, and proceedings should be recorded and published. We further believe that all blood obtained should be plainly marked on the containers so as to show whether it is a Negro person's blood or a White person's blood. We further believe that proper State legislation should be prepared and enacted to regulate this subject, and to make it a felony to inject the blood of a Negro into a White person or the blood of a White person into a Negro. We believe that no public funds should be used to maintain any hospital, health center, etc., or to pay any compensation or expenses of any officials or employees thereof, where this "mongrelizing" of blood of White and Negro persons is permitted. We believe that any physician who engages in such methods should be denied a license to practice. We believe it should be made a felony for any person, firm, association or corporation to maintain any so-called blood bank or blood storage supply in which Negro and White blood are mixed, or are not plainly distinguished. We believe it should be made a felony for any person, firm, association or corporation to mix Negro blood and White blood in containers, for use in blood transfusions with respect to Negroes and Whites.

36. We recommend the passage of appropriate State legislation to provide for the establishment and maintenance of a list of "subversive" organizations and publications, along the lines of existing Federal legislation on this general subject. In this connection, we call attention to House Document No. 157, 82d Congress, 1st Session, entitled "Guide to Subversive Organizations and Publications", prepared and released by the Committee on Un-American Activities, U. S.

House of Representatives, Washington, D. C.

37. Legislation should be enacted by the State to prohibit professional boxing and wrestling matches or so-called "golden glove tournaments" anywhere in the State.

38. It should be made a criminal offense for any one to have in his possession in the State any alcoholic beverages not purchased by such person from a duly authorized State-operated alcoholic beverages store in the State.

39. State laws should be enacted to make it a criminal offense to operate a "pawn-shop" anywhere in the State.

40. Prohibit the exhibition, at any educational institution owned or exclusively controlled by the State or any political subdivision or public body of the State, or on or in any building, park, playground, auditorium, stadium or other property so owned or controlled, of any painting, portrait, picture, object of art, magazine, newspaper, periodical, poster, handbill, book, film, radio or television show, or any play, tape or other recording, or any other display, which in any wise advocates racial integration in public schools or intermarriage of White and Negro persons.

41. Prohibit public funds for educational institutions owned or exclusively controlled by the State or any political subdivision or public body of the State, from being used to subscribe to or purchase any newspaper, magazine, periodical, book, film, recording, or service which either directly or indirectly advocates integration in public educational activities, or intermarriage of Whites and Negroes.

42. Prohibit any school or college fraternity from operating at or in connection with any educational institution owned or exclusively controlled by the State or any political subdivision or public body of the State, where such fraternity advocates or practices integration.

43. Prohibit use of public funds for any kinds of "junket" trips of public school children to points outside the State.

44. Put a prohibitive license on all commercial slot-machine music dispensers which play "rock and roll" or similar so-called music.

45. Establish a permanent legislative committee, with power of subpoena, and to sit at any time or place in the State and as often as it may deem necessary, with full authority to make a thorough and extensive examination of all books and other literature and propaganda in use in all educational institutions and libraries thereof owned or exclusively controlled by the State or any political subdivision or public body of the State, and to hold hearings and make findings and recommendations, with a view to removal from such institutions and libraries of all books of a subversive character or which advocate integration or deprecate, falsify or "play down" the time-honored ideals, heritages, traditions or way of life of the State and of the Southland.

46. If and when integration should be forced upon any educational institution owned or exclusively controlled by the State, with respect to any dormitory, cafeteria, or lunch counter, so owned or controlled, abolish the continued use of such dormitory, cafeteria or lunch counter.

47. Establish, at State level, a board or boards, and require that any person who shall desire to engage in the occupation of bell-hop, maid, waiter, waitress, cook, chef, beverage-dispenser, elevator-operator, janitor, utility repairman, usher, guard, watchman, engineer, dish-washer, or similar occupation, at any hotel, motel, tourist court, theatre, inn, restaurant, cafe, cafeteria, public club, drugstore, grocery store, or other similar establishment catering to the public, shall be individually licensed to engage in such occupation and that no applicant for such a license shall be granted the same except upon passage of a satisfactory written examination by such board and except that the applicant is a graduate of

a high school or its equivalent.

48. A rapid and increasing migration of colored people from the Southern States to the industrialized North, the Middle West and the Far West cities and metropolitan areas is said to have been taking place presumably because these migrants have concluded that greater, quicker economic and related opportunities will be afforded them in those areas. The Southern States should, by all legitimate means, make the glorious opportunities of these cities and metropolitan areas fully known to all who may be interested. It is not fair to Americans anywhere for the slanted press to portray these great Northern, New England, Middle-western and Far Western metropolitan and industrial areas as bleak, dreary, or lacking in the great opportunities for quick advancement, economic security, etc., which so many of our colored citizenry are said to find so sadly lacking of immediate fruition in the deep South communities and localities. How can any but a prejudiced soul deny and conceal the wondrous opportunities for colored people in such great centers as Gettysburg, Pennsylvania, Philadelphia, Wilmington, Independence, Missouri, New York City, Rochester, Syracuse, St. Paul, Minneapolis, Boston, Milwaukee, St. Louis, Kansas City, Hartford, Omaha, Peoria, Chicago, Providence, Detroit, Springfield, Lansing, Bangor, San Francisco, Los Angeles, San Diego, Honolulu, Cleveland, Dayton, Cincinnati, Pittsburgh, Harrisburg, Portland, Cheyenne, Seattle, Salt Lake City, Albany, Ogden, Duluth, and nameless other fast-growing Yankee communities. Compare the brilliancy of these golden opportunities with the prospect of forever following a mule down a cotton-row in the "prejudice-infested" deep South! Was it not Horace Greeley who exhorted: "Go West, young man! go West!"; or did he suggest the North, New England, or the Middle West? He certainly never exclaimed that the searcher for the overnight "Land of milk and honey" should go South! It has been said that there, in those not-too-distant lands north and west of the Mason-Dixon Line, one may, in truth, find surroundings where he never has to change his socks; where the box-cars all

are empty; where the bull-dogs have rubber teeth; where one may practically lift himself over the fence of shiftlessness, poverty, penury and economic and political despondency and anonymity by his own boot-straps. One might think of the amazing opportunities there to become a banker, side-burned philanthropist, coupon-clipper counting his tax-exempt stocks and bonds, a justice of the peace, sheriff, mayor, an unequaled political boss dispensing plenteous jobs and political patronage, a congressman, an operator of a multi-million dollar shin-dig or nite-spot, or any number of occupations wallowing in a newfound wealth and "filthy lucre", knowing all the while that he can even, with increasing migrations thereto of his own kind, gain ultimate control over the rat-eyed Yankee democrats, and blue-bellied republicans who are "oldsters" in those parts, if he will but use his talents and artistry through the NAACP, The Urban League, the Anti-Defamation League, and the manifold other wire-haired "isms" and pressure groups which are so welcomed and barnacled in those regions. Why should any colored hep-cat, jive expert, or zoot-suiter, or other gallused colored "gent" of skeptical means, etc., be cajoled to look askance at these possibilities in Yankeeland! Then, too, with local civil rights laws, and so on, he can dine with white men and women at any swank public place he chooses, get himself a white wife, or she a white husband, join all the lodges of his white brethren, spit at any sidewalk, block-bust all white communities, throw out his chest like a real "superman", make love to white debutantes, get his picture in the society pages of the goober-nosed press, and even run for Governor or President or, maybe, get considered for appointment as Chief Justice of the United States Supreme Court. What a pity that Greeley is not here today, along with Thaddeus Stevens, so that the "magnificent" story can be told in a completely unabridged manner, instead of the poor colored Southerner having to depend primarily upon the carpet-bagger and scalawag propagandists! Harken! Ye rednecked, tobacco-chewing, stick-whittling, snuff-dipping, gimlet-eyed, white Southern gentry! Pass not up this beneficent opportunity to let the truth about

Yankeeland be honestly told! You'll be branded vicious bigots if, when they seek it, you refuse release to "Sambo" from the "cruel and crushing life behind the plow", or "Jezebel" from her "pots and pans", so they can quickly journey to the new "Land of El Dorada", the new "Seven Cities of Cibola" beyond the Mason-Dixon Line, where both National political parties continuously vie with each other to see which can have the most gushing ease of "flux" for their political favors, and where it is rumored that the Yankee dominated, national labor organizations are frothing at the mouth for the Negro workers to (almost, but not quite) "take over" from the "rootin', tootin' Reuthers" and the "eenie-~~Meany~~-miney-moes." Who knows but what "Sambo" can become a half-dozen "Bunches" and replace the "Lodges" and "Dulleses", General Motors Wilson, "Elder" Benson the agronomist, the whole "shi-bang" in the Department of Labor, Rockefeller Center, Hollywood, and the Pentagon Building. After all, hasn't a Negro of erstwhile as mundane a past become chief justice of the Methodist Church, to which all good, white Southern Methodists owe an allegiance!

49. And, wake up, you teeth-chattering Southern idealists! Think what a marvelous thing it would be if every Yankee-owned textile mill were to "pull up stakes" and go back to merry old "New England". Let's raise the State taxes on them so they will want to go back! Let's cut out the State and local tax exemption "baits" to foreign owned, new businesses to locate in the State.

50. Except for the Amendment to Section 141 of the Virginia Constitution which the so-called "Gray Commission Report" recommended, and which Amendment the people have adopted, the remainder of the "Gray Commission Report" should be thrown into the political garbage pit. It poses abject surrender to the racial mongrelizers and integrationists. True Virginians should bury that puny piece of political double talk under an avalanche of ballots and consign to political

oblivion any member of the General Assembly or any other seeker of public office in the State who brazenly advocates it.

The people of Virginia should now demand an unlimited State Constitutional Convention to put real "curb-bits" on State and local governments in this matter of foisting on the people gradual, creeping, spotted, and, eventually, wholesale integration in public schools! The Gray Commission Report envisages just that sort of an eventual "paradise" for the latter-day carpet-baggers, scalawags, mongrelizers and pinks who seem bent on trying to give the Old Dominion and its "Cavaliers" a facial uplifting, apparently in the image of Ubangi-land. We opine that somebody planted a "Trojan horse" or "stink bomb" in the Gray Committee, to make it come up with a witches' brew like its "Report", and we further opine it was not Senator Garland Gray, 'cause we have heard he is "sick at heart" at the debacle - or does he really believe he can get elected Governor with Fenwick "and company" keeping that contraption tied to his political coat tails! Quick, Watson, with the smelling salts!

51. On the matter of segregated versus integrated public schools in Virginia the question before the house is not "Who killed cock robin", or "Who raped poor little old 'Stare Decisis'", but "When is a usurper not a usurper." Regardless of who psalm sings legalistically about it, the best proof that the people of Virginia never authorized the General Assembly to provide for racially mixed public schools is the fact that the politicians dare not call an unlimited State Constitutional Convention so that the people of Virginia can deal, as they choose, with the whole school question and give the integrationist politicians their "walking papers". Every man and woman in Virginia knows full well that, in an unlimited State Constitutional Convention, there is no more likelihood of the people permitting the General Assembly to provide for racially integrated public schools than for a celluloid dog to catch an asbestos cat in a chase through Hades!

When will Richmond wake up and interpret and apply the State Constitution according to the necessarily implied restrictions upon Legislative authority by reason of what the framers of that basic instrument obviously intended? If, as has been suggested, the Justices of the United States Supreme Court "rewrote" the Federal Constitution on the basis of the maunderings of a philosophically cross-eyed Scandinavian by the name of Gunnar Myrdal, why can't Richmond and its galaxy of brilliant minds interpret the Virginia Constitution as prohibiting public funds for racially mixed public schools and cite, as rationale for its pronouncement, Edgar Allen Poe's "Raven"? Or, are our politicoes bent on driving an old-fashioned legalistic ox-wagon down the road to certain mongrelization of the white children of Virginia, still sticking to the axle-deep, time worn ruts of "precedent" merely to save harnessing the General Assembly to the plain inhibitions of the State Constitution? It is high time for Richmond to unlimber its political guns, quit goofing and grunting, and conjure up and demonstrate some political courage and initiative. New conditions can make new theories, but it takes plenty of "guts" to adopt this strategy. Let's make the State Government stop fud-dudding with left-handed monkey wrenches in an effort to both "placate" the integrationists and pull the rug out from under the segregationists. Demand an unlimited State Constitutional Convention NOW! Every straight thinking Virginian knows full well that this is the one and only sure way for Virginia to handle the entire dilemma it is in with respect to the matter of public education!!! The political spat-wearers, whirling dervishers, pinkoes, universal brotherhood boys, "cliff-dwellers", new era carpetbaggers, scalawags, and political eunuchs and opportunists won't like this! It'll scare them stiff and stop them in their tracks! This is because they know that, if fully awakened to the awesome situation, the traditional Virginian will take charge and kill any chance for any racially mixed public

schools in this State.

52. In the "deep South" today, aside from many more lucrative fields of endeavor, a very substantial proportion of agricultural employees or tenants are colored; private chauffeurs are colored; waiters, waitresses, cooks and chefs in eating establishments are colored; truck drivers are colored; bellhops, maids, janitors and other help in hotels and motels are colored; doormen at hotels are colored; "deliverymen" are colored; drink-fountain employees are colored; cooks, maids, servants and handymen in homes are colored; nurses of children in private homes are colored; workers in industrial plants are colored; mechanics in shops are colored; workers on public highways, streets, and utilities are colored; workers in the "turpentine" orchards and other orchards are colored; workers on the docks and in the shipyards are colored; "maids" and "nurses" in hospitals and health centers are colored; workers in highway shops are colored; elevator operators are colored; chain store utility men are colored; workers in the mines and mills are colored; workers in the timber and lumber mills are colored; janitors and "servants" at white public schools are colored; workers at private clubs or public recreational areas and on the golf links are colored; many of the commercial "music" banks are colored; vaudeville shows continue to indulge in colored jokes, etc; many filling station attendants are colored; railroad and bus station "luggage boys" are colored; warehousemen are colored; laundry help is colored; white and colored ride the same streetcars and local buses, which, oft-times are predominantly colored; racially integrated athletics are rapidly increasing; racially integrated industries, plants and installations are encouraged by abominable State and local tax exemptions, and various other means, to come from the North and elsewhere and establish and flourish in Southern communities; most Southern Senators and Congressmen fat-headedly continue to support and clamor for all sorts of Federal aid and lend aid and comfort to the promoters of a

"world order", or a "super state", or a "regional state", or to every subsidiary or affiliate of the United Nations, UNESCO, and the International Labor Organization, and "what-nots", knowing full well that all of these are part of the many spearheads for racial mangrelization and integration; Southern schools, PTA's and many so-called civic associations are literally filled with professional artists, etc., completely unfriendly to preservation of any racial segregation; most of the daily press is owned, controlled, or edited by elements apparently bent on promotion of the "leveling off" process; white Southerners continue fealty to many church organizations which are endeavoring to force a "shot gun marriage" of "Racial Integrity" to "Universal Brotherhood", and bring the Negro man and the Southern white man under the same yoke; mulattoes, sepias, tans and hues multiply daily as a result of the rollicking of certain sorry whites amongst Negro damsels, etc., white children and teen agers in educational institutions are drilled in ideologies of a "world citizenship"; the old ideals, traditions and great moments in Southern history are emasculated or so played down that children in the schools emerge with little or no appreciation of traditional Southern culture; the white family unit and love for its preservation and pride in its integrity is breaking up; local public officials grasp frantically at every proposed handout from Washington; and, so on, we could continue "ad infinitum; ad nauseum". There is an old saying, "You can't have your cake and eat it, too." It has also been said that if one wanders too far into the wilderness, he won't be able to see the forest for the trees. It would be interesting indeed to compare the deep south's actual way of life with that of Vermont or many other similar areas we know. We do not suggest that the deep South jostle itself into a new way of thinking and acting in any of the matters we have mentioned. We only suggest that its days are numbered, "going with the wind", and will surely pass into oblivion, to be replaced by ultimately complete

mongrelization with the destruction of the racial integrity of both the White and Negro races throughout those regions, if the white Southern politicians, pulpiteers, educators, statesmen, leaders in all walks of life, and the masses of the honorable white Southern citizenry, do not quit their dreaming, their peeping through the keyhole of reality darkly, their worship of the "fatted calf", their confused thinking, the turning up of their noses at menial jobs, and their fawning at the foot of the dollar and the Northern controlled political parties like flea-bitten feists. We also suggest there needs to be a return to regard for and pride of family; that the destruction of family integrity presages the certain destruction of any great people.

Virginians! Don't be fooled by the politicians! The General Assembly of the State is going to meet at Richmond before very long and those who bow deep obeisance to the "public school system" as if it were some sort of "sacred cow" are going to try to put over a so-called "placement plan", a "retirement plan" for persons teaching in certain non-sectarian private schools, and a bill to limit tuition cash grants to those parents who send their children to only segregated private schools. These and similar make-shift devices will be concocted by these same politicians at the coming session of the Virginia General Assembly.

This whole program represents assumption by these politicians that the State and its counties, cities and towns now and always have had legal authority under the existing Virginia Constitution to provide, for an operate racially mixed public schools. These politicians know full well that the framers of the existing Virginia Constitution intended never to

permit the State or any of its subdivisions to do any such thing. These politicians are trying to make it appear that they are for segregation and, yet, are playing right into the hands of the racial integrationists. They know that a "placement plan" offers no assurance whatsoever that any public school can or will be operated on a racially segregated basis. They know, if they know anything at all, that any act passed by the General Assembly which restricts tuition grants to parents who send their children to segregated private schools will be held unconstitutional by the United States Supreme Court as predicating the use of public funds on a racially discriminatory basis. They know, if they know any thing at all, that any act passed by the General Assembly which provides that public funds are to be used to pay retirement benefits to teachers who retire from teaching in private schools will, in all probability, cause the United States Supreme Court to hold that the affected private schools must be operated on a racially non-discriminatory basis. These same politicians know full well that the really decent and courageous thing to do is let the people revise the State Constitution so as to expressly prohibit use of public funds for mixed public schools and so as to provide that public funds can be used to operate a public school only so long as it is operated as a voluntarily segregated public school. These politicians also know that the only valid act which can be passed for tuition grants is one which will let the parent be the sole judge as to what non-sectarian private school he will have his child attend. These politicians know all of this, but, being perpetual feeders at the public crib, they are lacking in the essential elements of political courage to face up to the mongrelizers, integrationists, pinks, carpetbaggers, scalawags, and other haters of Southern traditions. They are afraid of the parent-teacher's

associations, the termited civic associations, the public educational heirarchy by, the "cliff-dwellers", the evangilizers for the world proletariat, the political pulpiteers, and the hosts of goofy, social uplifters who psalm-sing for racial integration so long as that integration is for the other fellow. Write, phone and see your Governor your General Assembly man, your State and local officials, and demand of them, in no uncertain terms, that no public funds be raised or used to provide for or operate any racially mixed public school anywhere in Virginia. Demand of them an unlimited State Constitutional Convention be immediately called to deal with the entire school problem!!!

Demand of them that they quit fud-dudding around with a "placement plan", a "retirement plan" and all the rest of the "hocus-pocus" in the weazle-worded "Gray Commission Report"! Demand of them that they get rid of every public educational official, professor, school-teacher, supervisor, and other two-bit janissary who favors any form of racial integration in public education and who is now frantically nudging at the public udder! Demand that they take steps to immediately repeal all laws providing for compulsory education! Demand that they immediately close down any public schools which, if left in operation, will be racially mixed! Demand that they immediately investigate subversion in any form in the public educational institutions of Virginia! Demand that they either get out of office or demonstrate that they have the "guts" and ability and determination to stand by the decent, self-respecting white people of Virginia!

If you don't do this, you might as well quit yeow-yeowing, slink off to the abyss, blab out that "here goes nothing", and plunge down the precipice into racial oblivion; but, before doing so, crawl over to your family's

dinner table and scribble and leave there a callous and cowardly note telling your loved ones that, so far as you are concerned, the racial integrationists are welcome to "take over" and foist upon them and your friends and neighbors and Virginians yet unborn the certain mongrelization and consequent eventual destruction of that white Southern manhood and womanhood which has been one of the greatest contributions in the monumental progress of the Anglo-Saxon peoples of the world!!!

## POLICE ON DUTY AT SCHOOLS

Montgomery, Ala.  
ADVERTIZER, 5/18/56

# Williams Asserts Wave Of Violence Stirred By Washington Integration

By BOB INGRAM  
Advertiser Staff Writer

SELMA, Ala., May 17—U.S. Rep. John Bell Williams (D-Miss.) told a "mass protest meeting of the Dallas County Citizens Council here tonight that the integrating of public schools in Washington, D. C., "result in so much violence that police men were assigned to patrol the halls full time in several schools."

The eloquent congressman heaped much ridicule on the group he referred to as

the "left wing do-gooders who have claimed that the mixing of the races would result in the enrichment of both white and colored children."

### FIGURES STATED

"Let me give you a few figures to point out this so-called enrichment," Williams said. "A prominent school official told me that Washington schools now have set up a standard of promoting children solely on the basis of age, height and poundage."

Williams, who is a member of the House District of Columbia which administers the governmental operations of the Capital, said he recently asked the school board to tell him how many times police have been called to the public schools to quell racial disorders.

"They refused to give me this information but I can assure you that we are going to get it because our committee has the power of subpoena," Williams declared.

### CRIME RATE UP

Williams also elaborated on the increasing crime rate in Washington following the integration of schools. He said that only recently the white women of Washington demanded police protection at night due to a major outbreak of attacks.

"When I learned of this I immediately called the chief of police to get the figures," Williams continued. "He told me that in the last six months there had been 350 attacks on white women of which 320 had been done by Negro juveniles."

Earlier, Williams had unleashed a sharp attack on the attitude of the Northern press in its coverage of racial issues and also hit at what he called "the commercial diatribes of scallawag Southern journalists."

"Even a mediocre writer — if he is a Southerner — can scale the heights of journalistic acclaim by the simple expedient of depicting his neighbors as fools, bigots, ignoramuses, hate-peddlers and sadistic fiends who take delight in murdering those of the minority races," Williams charged.

### Boys' Club Debate

The NAACP never tires of its futile struggle to integrate private organization—the Metropolitan Police Boys' Club. Some time ago they appealed directly to the President, over the heads of the strict Commissioners, only to find the matter concerned a District, not the Federal Government.

Now they return to the Commissioners and complain of "inaction" on their part, and are discontent with the present of the Police Boys' Clubs, Thomas G. Carney.

I wonder if they ever stop to think how fortunate it is that they do not succeed? If they did, the only defense left to those vitally concerned with checking the rising tide of juvenile delinquency would be to organize—for the first time—"citizens' councils" here in the District. Is this what the NAACP is looking for?

"THE BLACK SULTANS" is an organization from whom you shall receive some very personal attention; if you do not cease and desist in your racial hate-mongering. Your intemperate remarks have attracted our ears and we feel that an object lesson in behaviorism is overdue YOU. As for the great threat of Citizens' Councils - YOU will not be among those present ... since you already are a marked man. Many negroes feel that the N.A.A.C.P.'s tactics are incredibly too slow, and devoid of teeth. "THE BLACK SULTANS" propose to take a different type of action towards race-mixing, prejudiced SCUM like yourself. Remember YOU are our quarry, BE PREPARED!!

## Cross Is Set Ablaze At Warren's Home

Special to The New York Times.

WASHINGTON, July 14—Crosses were burned before the residences of two Supreme Court Justices, a Senator and the Solicitor General here last night.

District of Columbia police investigating the incidents called them the work of a gang of teen-age boys. They said the boys were playing pranks.

Chief Justice Earl Warren and Democratic Senator Herbert H. Lehman of New York were targets of the first cross burning. They both live at the Sheraton-Park Hotel on upper Connecticut Avenue.

According to the hotel doorman, a group of boys stopped a car alongside the hotel lawn at 12:30 A. M. They planted the cross, a wooden affair wrapped in oil-soaked rags, set fire to it and fled. The doorman made a note of the car's license number and it was through this clue that the police said they were tracing the gang.

## BURN CROSSES AT HOMES OF U. S. OFFICIALS

Washington, July 14 (AP)—The Federal Bureau of Investigation joined local police in investigating the planting early today of fiery crosses near the residences of top federal officials and a county chairman of the National Association for the Advancement of Colored People.

Atty. Gen. Brownell announced that Director J. Edgar Hoover of the FBI "has made the full facilities of the FBI available" in the inquiry.

### Students Kick Crosses Over

Police said crosses were burned in front of the hotel residence of Chief Justice Earl Warren of the United States Supreme Court and the homes of Associate Justice Felix Frankfurter and Solicitor Gen. Simon E. Sobeloff.

Officials said two George Washington university students discovered and kicked over a

Beside the burning cross the doorman found two paper signs bearing the names of the Chief Justice and Senator Lehman. The signs indicated resentment over the Supreme Court decision ending school segregation.

A short time later a passer-by found a similar cross ablaze before the apartment house in which Simon E. Sobeloff, the solicitor general, lives.

Shortly after 1 A. M. another cross was found burning before the home of Justice Felix Frankfurter in the Georgetown section of Washington.

Police said that neither Mr. Sobeloff nor Justice Frankfurter was aware of the burning crosses at the time.

About a half hour after the cross was set afire before Justice Frankfurter's home, a group of boys in a car answering the description given by the Sheraton-Park doorman planted a cross on the lawn of the home of Mrs. David King, president of the Prince Georges (Md.) County branch of the National Association for the Advancement of Colored People.

Mrs. King told the police she heard voices on her front lawn and saw the cross burning a few minutes later.

The police discounted talk that the incidents might be connected with a resurgence of the Ku Klux Klan in the Washington area. They said they had no indications of such a development and that the incidents early today were the work of pranksters.

The Government, however, took a more serious view of the incidents. Herbert Brownell Jr., Attorney General, ordered the Federal Bureau of Investigation to look into the matter today. He had discussed the incidents with President Eisenhower in a visit to Gettysburg.

James C. Hagerty, White House Press Secretary, told newsmen that the President "thought it a good idea" to call in the F.B.I.

burning cross in front of Sobeloff's apartment house in northwest Washington. They said a partially burned sign bore the words "Sobeloff . . . Jew."

A 6 foot cross, still smouldering, was found on the lawn of Frankfurter's home, and an 8 foot cross was burned in front of the home of Mrs. Douglas King, N. A. A. C. P. chairman for Prince Georges county, in nearby Beltsville, Md.

### Hotel Denies Report

A spokesman for the Sheraton-Park hotel, Warren's residence, denied a cross was burned there but police said witnesses saw two men in a car with Virginia license plates drive up, plant the cross and set it afire.

The hotel is the home of several top Washington officials, among them Sen. Lehman (D. N. Y.)

## White Citizens Council Formed in Washington

A Georgetown bookseller revealed yesterday that a dozen Washingtonians organized the District of Columbia "White Citizens Councils" Monday night.

The bookseller, 26-year old John Kasper, a native of Camden, N. J. said the D. C. Councils are chartered by the North Alabama Citizens Council headed by Asa E. (Ace) Carter of Birmingham.

This style citizens council has had a running fight with the "orthodox" citizens council in Alabama, headed by State Sen. Samuel Engelhardt, who considers the Carter group too extreme.

Kasper owns the Cadmus Book Shop, at 1246 Wisconsin ave. nw., which he calls a "right wing" book shop.

Kasper said the group does not dislike Negroes and intends to show them "how integration retards their progress by losing, for him, the white man's organizational power. This has nothing to do with the humanity of the Negroes, but they just don't keep things orderly."

To be a member of the Councils, applicants must be white, 18, and "believe in the divinity of Jesus Christ," Kasper said. He said his group is not anti-Semitic, although Jews are not eligible for membership.

"The Nation was founded by white Christians and we do know that Jews are leaders in integration movements," Kasper said.

Objective of the District Councils, Kasper added, is to stop the integration process in Washington, reverse it and re-establish segregation; get the

National Association for the Advancement of Colored People on the Attorney General's subcial contributors to the NAACP and Urban League, and wipe out "Rock and Roll" music.

Kasper said he attended Yankton College in South Dakota and graduated from Columbia University in New York.

He said his group will not joint forces with the recently organized Fairfax Citizens Council because it is "too liberal."

## Red Link Seen In Integration

A leading Southern segregationist and a book store operator charged last night that "those who favor integration are tools of Communists."

Asa (Ace) Carter, executive secretary of the Alabama White Citizens Councils, told 100 area residents at a membership-drive meeting of the District White Citizens Council that "Communist integrationists are using the American Negro to tear up the framework" of government.

Mr. Carter and John Kasper, 26-year-old organizer of the District group, outlined the aims of white councils in the Everglades room of the Annapolis Hotel.

The hotel room was rented under the name of the Seaboard Citizens Committee Committee. Mr. Kasper said the Seaboard group includes the white council here and those in Maryland, Virginia and Delaware.

Outlining council aims, the speakers hit at President Eisenhower, the Supreme Court, the District Commissioners, "a Northern Senator," the press in general and rock 'n roll music. The President was criticized strongly for "keeping integration going after it got its start under President Roosevelt," Mr. Kasper said.

The program was almost halted at the halfway point when three Negroes, two of them of the press, were barred from the meeting.

## Leader of White Councils Lays Integration to Reds

Communist integrationists are using the Negro to "tear up the framework" of the United States Government, Asa (Ace) Carter, an organizer of the Alabama White Citizens Councils in Birmingham, charged last night.

Carter told an organizational meeting of the White Citizens Councils of the District that communist-front organizations are persuading large groups of Negro voters in this country to "pool" their votes like poker chips and throw them down for Red-backed causes.

He declared that Communist-infiltrated groups are waging a "psychological warfare" for the minds of the children and teenagers of the United States by attempting to integrate the white with the Negro. He cited "rock 'n roll" music as one of the most effective means of achieving this aim.

A crowd of about 100 persons at the Annapolis Hotel turned out to hear Carter and John Kasper, the organizer of the District Citizens Councils, outline the aims of the Citizens councils.

Carter said the pro-segregationist council movement had a "hard and fast philosophy—restoring racial pride to the citizens of Anglo-Saxon extraction."

Carter's brother, Douglas Carter, was posted at the door of the meeting room and, with several other members of the council, refused admission to mem-

bers of the Negro press seeking to cover the meeting for their newspapers. Inside, Kasper referred to the press as a whole as the "greatest enemy of the people, apart from the politicians."

Kasper charged District Commissioners with lying when they said that integration was working in Washington. He said that among the things the Citizens Councils would work for would be a re-segregation in Washington with white and Negroes divided into specific areas of the city.

Kasper announced that a meeting which had been scheduled at a Veterans of Foreign Wars hall at 19th and Uhle sts. in N. Arlington tonight had been canceled by the VFW.
